DSO Notes	Set List from 5-11-1979 Billerica Forum, Billerica MA ... However, the proper keyboards needed for this show (Rhodes Piano and the Moog Synth) are in the shop getting fixed. The decisions was made to keep with the set list but be more open with the interpretation of the show. We chose to approach it like an elective in the style of early 1979 pre - Brent era which led to the inclusion of Lisa on vocals. The original show had no encore.
